PROFESSIONAL EXPERIENCE

FRONT-END (NEXT.JS)

Almusanid Tech | Saudi Arabi | April 2025 - Present

- Developed and maintained modern, responsive web applications using Next.js, React, and Tailwind CSS.
- Collaborated with designers and backend developers to deliver seamless, pixel-perfect UI/UX across multiple projects.
- Participated in code reviews, daily stand-ups, and Agile sprint planning to align with business goals and deadlines.

FRONT-END (React.JS – Next.JS)

Ultra-Progress | Egypt (Remote) | April 2024 – April 2025

- Build responsive pages for all screens with an exclusive and unique design to build unique websites.
- Integrated RESTful APIs and optimized front-end performance to ensure fast loading and smooth UX.
- Implemented reusable components, dynamic routing, and server-side rendering (SSR) for scalable web solutions.

FRONT-END (React.JS)

IT. RENADMADI | Saudi Arabi (Remote) | Jul 2024 – Jun 2025

- Built responsive web interfaces using Next.js and React.js.
- Collaborated with backend developers to connect APIs.
- Worked with a front-end team to develop features and improve user experience.

EDUCATION
